

Become A C-HOT Educator

Volunteer opportunity via Florida Clinicians
for Climate Action

↑
**Volunteer
Here**

What is C-HOT?

The Climate Health Outreach Team (C-HOT) consists of empowered educators that engage clinicians and patients by learning how climate change effects our health and to advocate for healthful solutions.

Responsibilities

C-HOT Educator will visit health centers and start conversations on climate and health, distribute literature and provide resources for patients and clinicians.

**Volunteer
now!**

**Travel stipend and other
incentives for all volunteers.**
